
Cheapest Time To Go To Vegas

We are thinking about taking a trip to Vegas this year and was wondering when the cheapest time is to go. We would be flying if that makes a difference on when we should book the trip. Thanks.

Haha, is there a cheap time to go to Vegas? I think I'd still end up losing a bundle :D

You're right on the gambling part of it. There is no way to go at a cheaper time. I was just wondering if there is a cheaper time airfare wise to go during the year?
