heyhey here a newbie,

been in casino allot but only for party's,
a few months ago i played black jack for the first time i made lots of money with it :P

now i wanna learn to play some more :P

hey thx,
and i know it can be a adiciting but i just do it for fun i dont need to make alot of money i have enough of it so :P
and i play in a well known casino is holland and been a few times on a cruise casino that was much fun 2.
