
Any Big Games

So has anyone played in any big games lately or won any big pots? I haven't really had a lot of luck lately. But I also haven't been playing as much.

I also have not played in any games recently. It seems that during the holidays, people have shopping on their minds, not poker!

My problem exactly, I've been so busy over the holidays I've not had a chance to play at all! Hopefully I will soon now things are calming down.

I played Sunday evening for a couple of hours but didn't do any good. Really wasn't in the mood to play.

We are having our poker playing friends over this saturday evening. Our group size is just perfect 10 players.

That is a good size group. So how did you do? Hope to hear that you were luckier than I have been lately?
